

# LILLIPUT NEWSLETTER

## ♥ FEBRUARY 2017 ♥

### Dear Lilliput Families,

This January was a great start to the New Year back at school and everyone seems happily settled into a routine! Remember please give us feedback on our Lilliput teachers, teacher parent communication and how we can change or improve to meet your child's needs. As tax time nears, we want to remind parents that their tuition here may be deductible. Please check with your accountant. If both parents are working then you may be able to use the tuition as a deduction.

### Lilliput's Tax ID number: 04-3162-287

If you forget our tax ID number you can refer to this newsletter or our website all year at: [www.Lilliputschool.com](http://www.Lilliputschool.com) under the "News" tab.

If you have dependent care vouchers, we would be glad to sign those for you. We do not have payments on computer so please use your canceled checks or receipts for cash for your tax purposes.

★ **Lilliput Summer Camp 2017** info is at the end of this newsletter: ★

Thank you,  
Lilliput Management

### OUTDOOR PLAY ALL YEAR

Please send your child to school wearing warm clothes, with proper snow gear to wear out to our snow covered playgrounds & during arrival/dismissal times when children wait outside on the porch. Children need to bring to school every day: boots, snow pants, a hat, mittens (no gloves if they cannot put them on themselves please-mittens instead) and their winter coat. Please label your child's name on everything you send in with them so we can return it to you if your child loses it. We go outside to the playground most days when we can & we are out on the porches every day. Your child will be uncomfortable if they are not properly dressed. Thank you!

### REMINDER!

Please check the snow clothes when they come home each day. Sometimes they get muddy or wet and need to be dried or cleaned before coming back for your children to wear the next day. Thank you ☺

## LABELING YOUR CHILD'S BELONGINGS

### **& HELP LILLIPUT with this ongoing fundraising.....**

A good product we found to help parents: "Name Bubbles", labels you can design & order to label your child's clothes, lunch and winter things in a semi-permanent way. We always ask

parents to label your child's belongings as it helps us make sure your child goes home with their own things. We earn monies for our playground from any purchases you make.

Check it out:

[www.fundraising.namebubbles.com/c/36584](http://www.fundraising.namebubbles.com/c/36584)

If you forgot to label you child's things and are missing anything, clothes, boots, hats mittens, etc... We have a turquoise **lost & found** bin outside by the drop off area.

## GETTING READY FOR KINDERGARTEN

State law requires all public school systems to screen children prior to their entering Kindergarten. This

screening is not a readiness screening (we do that) it is a screening to look for possible learning needs or challenges. Whether you are planning on sending your child to public or private kindergarten, **you should have them attend this screening.** Within the next few weeks Shrewsbury residents should be getting information from Beal School about this process and also about registering your child for Beal. If you do not receive this information by the end of March, contact the Shrewsbury Superintendent's office. If you are not from Shrewsbury check with your town's superintendent's office to find out when you're screening will be.

## IPAD'S @ LILLIPUT

Through our [Scholastic book club](#) starting from this September to our most recent order we try to earned points for iPad's for the children to use in the classroom. **Thanks to parent orders we have earned 5 iPads already.** We are hoping to earn another iPad before the end of the school year. With your help every parent & teacher book order placed through Lilliput's [Scholastic book club](#) account earns us points. If you are buying books we hope you will buy them through our book club with Linda Sullivan as your child's "teacher" so we can earn the points for more NEW technology to use in our classrooms. Thank you for your support!!!

## BOX TOPS

Please keep sending us your [Box Tops](#) we need everyone's help! We are saving for a new fall surface on the front playground. THANK YOU!!!!

**when the lunch is too big for the child.** Anyone who does not eat at lunch time is offered their food again afterschool if they stay.

We also understand many parents pack enough food to give their child a variety of choices & don't expect them to eat every bite. That is fine.

### **LILLIPUT'S SUMMER CAMP FUN!**

We already have parents asking about Lilliput's **SUMMER CAMP** programs in June & July. We offer different summer camp programs designed to meet the physical, summer academic & "fun" needs of each age group: Information will come out in April.

1. The Little Explorers (15 months-2.9)
2. The Middle Explorers (2.9 - 5)
3. The Big Explorers (kindergarten and Gr 1)

We will be posting our 2017 camp updates in March

We open camp registration once the curriculum is posted on line-and in March and when we send home the camp forms via email. You may register by walking in or sending in the completed summer camp registration form and total camp fees. Registration is on a first come, first served basis.

### **FOOD PORTIONS FOR STUDENTS AGES 2-8**

We see some beautiful lunches for children here at Lilliput. We also see some parents packing & expecting their child to eat a great deal too much food for their size and age.

As a policy our teachers do not force or pressure children to eat. We gently encourage them to try another bite if they have not eaten much. **It concerns us when parents insist their child eat every bite of their lunch every day especially**
