Lilliput Summer Camp!

2017

Register Today 508-842-0430

Lilliput's **Summer Camp** programs are filled with outdoor games, physical challenges and other engaging activities related to different weekly themes.

The emphasis for **Summer Camp** is **FUN** as we sneak in a jam packed informative multi-sensory approach to education in each week's fantastic themes. **Our own experienced and highly qualified teachers** continue teaching and child care throughout the **Summer Camp**. This program offers endless **socialization** opportunities in an enjoyable, safe and trusted environment.

Please send your children in comfortable play clothes and **sneakers** so they can be successful with the physical challenges. Please apply **sun-block** before your child comes to camp and send a labeled **water bottle** and labeled **nut-free snack**. We will be outdoors under the lovely sun for part of the camp morning.

Times:

- 8:30pm-2:30pm Full Day
- 8:30pm-11:30pm Half Day
- FYI: No Extended Day During Summer Camp

Week 1: June 5-9: **Outer Space and Beyond!**

Explore our mysterious solar system and our 7 diverse neighboring planets. Become an astronaut and imagine the aliens we might encounter one day!

Week 2: June 12-16: **Making Music & Dancing to the beat!**

We are building our own musical instruments, playing them and **DANCING** to different kinds of music as we listen and move!

Week 3: 19th-23 **Love Our Earth!**

One of our greatest passions is teaching how to love and care for our home Earth. We show how fun & creative we can be as we Recycle, Reduce and Reuse.

Week 4: June 26-30: **Super Hero's to the rescue!**

Children reinvent themselves as their own super hero! Imagine the super powers they could have and good deeds they can do! We will also enjoy activities with the children's favorite superheroes!

FYI: July 3-7: Lilliput is closed in celebration of the 4th of July holiday.

Week 5: July 10-14: **Voyage with us Through the Mysterious Deep Sea.**

From the dark murky bottom we journey through the ocean layers to the surface and uncover fascinating, unusual discoveries and hidden treasures within each layer.

Week 6: July 17-21: **Silly Scribbles, Dazzling Dribbles & Beautiful Oops!**

Create with us and explore different ways to make art. We expose children to a rainbow of art mediums and techniques.

Week 7: July 24-28 **Let's Cook it & Bake it together!**

We will have fun cooking up some tasty projects in our bakery & pizza parlor, by doing some math & reading using delicious ingredients...yummy!
